Engineering and Science,
National Tsing Hua University

TOPIC

從工科出發，
到英國創立社會企業，
到致力於打擊人口販運的冒險故事

江玉敏 Mina Chiang,
founder and director of
Humanity Research Consultancy

Specialising in countering modern slavery, human trafficking. Mina has an interdisciplinary background in engineering, sociology, anthropology and international development. She has consulted in some of the world's poorest and conflict-affected countries. With research experience in modern slavery, forced labour, and human rights issues across a wide range of UN bodies, governments and NGOs, Mina is becoming a sought-after expert. She is also a coordinator and board director for the Rotary Action Group Against Slavery (RAGAS), a Delta 8.7 Policy Guide working group member, and a member of the Peer Review College of the UK Modern Slavery Policy and Evidence Centre.
